

## SMALLEST MOST AFFORDABLE MOBILE PRINTER

Print receipts and tickets on demand and on the go with TSC's Alpha-2R mobile 2-inch receipt printer. The Alpha-2R is TSC's smallest and most affordable mobile receipt printer. While cost-effective, the Alpha-2R is still equipped with important basic features and offers a selection of competitive accessories.

The Alpha-2R is TSC's third Mobile Barcode Printer offering in the Alpha Series of cost-efficient, high durability printers that now includes 2", 3" and 4" wide Mobile Barcode Printers. The Alpha-2R is a comfortable, light-weight printer capable of working with any mobile printing application where you need access to quick, simple receipts or tickets.

TSC delivers more for our customers with the Alpha-2R without sacrificing function or performance:

- **Print More** – Alpha-2R offers the largest media capacity in the 2" receipt market with a media capacity of 58 mm wide and a maximum receipt roll out diameter of 50 mm
- **Print Longer** – Alpha-2R was designed to be Energy Star 2.0 compliant and features 17 hours of usage on a battery charge with an average of a 2 minute printer interval (BT mode)
- **Broad Application** with excellent printing compatibility - ESC-POS & CPCL & ZPL emulations available
- **Print Quality** – Smart Algorithm to adjust print speed & condition based on layout & heat history
- **Better Warranty** -- 2-year warranty
